Description:

Hurtled back in time into the Thirty Years War by an unknown force, Mike Stearns and his fellow West Virginia coal miners join forces with the king of Sweden to form the Confederated Principalities of Europe and take on the scheming Cardinal Richelieu as they struggle to rescue Mikes wife from war-torn Amsterdam and his sister from the Tower of London. Reprint.

I tend to write long reviews, but since much has already been said, here is my own little addition...I find the history interesting and well construed. The what if this then this is great. The people real and three dimensional. I enjoyed the different perspectives & development of existing characters. Not everyone seems to be thrilled with Mike Stearns here without being in outright opposition to him. NICE plot, puts meat into it, things do not just occur, the why & how is given. Character also grow, & story flows. A most enjoyable read. Once you read 1633 I would recommend reading the Grantville Gazette I, 2 & 3 before going on to 1634 The Baltic War as there is some background information in them. If you like the historical aspects of this series I think you will enjoy the Gazettes as they also have articles on the reality of the 1632 universe.
